Safe for your monitor and TV

Eminent offers a number of solutions for cleaning your LCD TV or monitor. These screen cleaning products are tested and approved, They contain no harmful substances that damage your TV or monitor. The cleaning fluid is perfect for removing fingerprints, smudges, dirt and dust. Your monitor attracts less dust after a treatment with the Eminent anti-static screen cleaner. Always use the included ultra-fine micro fiber cloth to make sure that the screen is cleaned scratch free.

A clean and healthy workplace

Beside the special cleaning for your monitor and TV, Eminent also offers special cleaning products to keep your desktop, keyboard, mouse and other surfaces hygienically clean. The wipes contain an antibacterial liquid with an antistatic formula, which prevents rapid dust attraction after a treatment. By regularly cleaning your workspace with these Eminent surface cleaners you are assured of a clean and healthy workplace.

Fast and drip-free cleaning

The Eminent SmartWipes offer you an unique four step cleaning solution. These SmartWipes clean all your electronic devices quick, easy, drip-free and alcohol-free. There are 3 sizes available; Thimbles: for easy cleaning your small electronic devices. Fingers: cleaning your notebook, portable DVD player and all the little LCD screens, Gloves: for easy cleaning your plasma and LCD screen.

Cleaning hard to reach places

Eminent offers an Air Duster to clean hard to reach places. This Air Duster contains compressed air. The air removes dust and dirt from computers, keyboards, printers and other electrical devices, the aerosol can even be used upside down. The supplied extension straw allows precise cleaning.

Safe and hygienic cleaning!
